## 2016 OAS Executive Board Slate of Nominees

### **Chair-Elect – David Turberville (Alabama)**

David currently is the Assistant Director for Alabama Office of Radiation Control. During his 26 year career with the Office of Radiation Control, David served much of those years as an inspector for the Radioactive Materials Compliance Branch. In 2003, he was promoted to Director of the Radioactive Materials Compliance Branch and in 2010, he became Director of the newly created Environmental Radioactivity Branch. In the past, he has served as chairperson of CRCPD's SR-7 and G-34 working groups. David was an active member of the working group for NRC's National Materials Program Pilot Project 2 – National Industrial Radiographer Safety Certification Program and has participated multiple times as the Agreement State representative on NRC IMPEP review teams. In 2015, he was promoted to his current position as Assistant Director and is responsible for rule development and program reviews, and is the technical resource for office staff.

### **Director of Rulemaking – Jenny Goodman (New Jersey)**

Jenny has been with the NJ Department of Environmental Protection (DEP) since 1985 and prior to that she was a Health Physicist with the US Environmental Protection Agency. At the DEP, Ms. Goodman supervised the Nuclear Emergency Planning Section of the Bureau of Nuclear Engineering, the Radon Section of the Bureau of Environmental Radiation (BER), the Radiological Assessment and Decommissioning Section of BER, and the Industrial Section of the BER. She is currently the Manager of the BER which includes the Radon Section, the Agreement State program, and the Radiological and Environmental Assessment Section which includes decommissioning, contaminated site reviews and radionuclides in drinking water. Jenny Goodman obtained a B.S. in Biochemistry from Cook College (Rutgers University) in 1980 and a M.S. in Radiation Science from Rutgers University in 1987.

### **Secretary – Glenda Villamar (Oregon)**

Glenda has been with the State of Oregon Radiation Protection Services section since 2014. She currently works as an inspector and as the RSO for the section. She has been a Radiation Health Physicist since 2002 and worked as a Medical Health Physicist in the hospital setting for 9 years in Florida, Kentucky and Oregon. She has also been the Radiation Safety Officer for the VA in Portland, Oregon and worked for almost 3 years with the US NRC. Glenda has a Masters Degree in Radiation Health Physics and a Bachelors Degree in Nuclear Medicine Technology.
